PACKING & MOVING

HOUSE-HOLD MOVING

Residential Moving is a big responsibility, one that requires a team effort of knowledge, efficiency, experience and a caring attitude. **KRISHNA LOGISTICS CARGO PACKERS** is a responsible organization, skillfully handling every step of the moving process to ensure complete customer satisfaction. No matter how small or big your household; we can help you at every step of the way to ensure that your relocation is a positive experience.

OFFICE MOVING

KRISHNA LOGISTICS CARGO PACKERS can handle your complete office relocation. We understand that office moves need to be performed when it is convenient for your business. For this reason, we offer after-hours and weekend office moving services designed to keep from disrupting your employees during crucial business time. Our moving counselor will work closely with you to ensure your office is relocated to your exact specifications. Please contact us for more information.

INDUSTRIAL MOVING

KRISHNA LOGISTICS CARGO PACKERS provide complete industrial and equipment moving, office moving, machinery rigging, crating, transportation and warehousing services for maximum cost efficiency and minimum downtime.

CAR TRANSPORT

We, at **KRISHNA LOGISTICS CARGO PACKERS** specialize in transferring your most precious belonging- your car. Expensive as it is, even a minor harm to your car can result in another round of expense from your pocket. The car caring centre of our organization recognizes this and hence takes immense care while relocating your car.

Safety of your car is uppermost in our mind while relocation. Customers are briefed about the procedure and every minute concern of the owners is resolved before proceeding. Our experienced and extremely cordial staff is forever present to answer your query.

Transfer of your cars is restricted not just within India, rather we also provide transfer of cars to international destinations. Same standards of service are maintained in international transfer and we take every measure to ensure that your car reaches the desired location without any hassle or harm. What is more important is that all this is available at an affordable price- something we know you will surely appreciate.

So just inform us and give us an opportunity to serve and satisfy you.

SOME OF OUR PROSPECTIVE CLIENT

WAREHOUSING

Whether you need long term storage or short term storage, your furniture will be safe and protected in our concrete block and brick warehouse. Storage and warehousing. Just like in this picture, all storage shipments are palletized in a **wooden crate for extra protection and security**. Furniture is individually **blanket-wrapped** and stored inside each **wooden pallet**. We also have a room devoted to storing bulky items which do not fit in the pallets.

Sofas, mattresses and upholstered items are **wrapped in plastic for extra protection**.

To keep your furniture and belongings safe our warehouse is:

- ✓ climate controlled
- ✓ pest controlled
- ✓ sprinkler-equipped
- ✓ security monitored 24 hours a day, 7 days a week
- ✓ labels on each pallet
- ✓ pallets are mapped
- ✓ your pallets are locked till delivery
